Your banner makes a powerful statement that you share the Y's mission to give all families—children, teens, adults, and seniors—access to vital Y programs that may be beyond their means. Growing interest in the Y means growing visibility for your banner and reflects a growing need for the financial assistance your banner-level contribution helps provide.

TAKE A LOOK AT HOW SEACOAST CATERING & LOBSTER BAKES SUPPORTS THE CLC YMCA

Owner Lurie Sprague-Palino of Seacoast Catering & Lobster Bakes has been a huge supporter of the Central Lincoln County YMCA for many years. Lurie's connection goes back to before the CLC YMCA existed as we know it today. Her parents, Janice & Neil Sprague were instrumental in encouraging the creation of a family recreational center in Damariscotta, Maine. At the 2017 Annual Meeting, Janice & Neil were honored for their years of support, with the naming of the YMCA gymnasium.

Over the years, Lurie has served on the CLC YMCA Board, providing her incredible knowledge of community partners and helping the Y build relationships. Lurie is also an active member of the Y, participating in a variety of programs. In early June of 2017, and two years after, Lurie offered up her property and business connections to host a fun Soiree of delicious food, drinks and music, raising more than \$30,000 in total. In addition to this wonderful event, Lurie has supported many other special events throughout the years with her catering expertise.

The CLC YMCA is very appreciative of the have with Seacoast Catering & Lobster the friendship of Lurie Sprague-Palino and her family.
