SUMMER CAMP SCHOLARSHIPS
Applications available: Monday, March 2
Application deadline: Friday, May 22

Thanks to the Knickerbocker Fund at the Boothbay Region YMCA and the Stackhouse Event at the CLC YMCA, we are able to offer camp scholarships. We believe that all children in our community, regardless of income, deserve the opportunity to experience summer camp. Financial assistance is available. Please visit Camp Knickerbocker’s website (www.boothbayregionymca.org/camp-knickerbocker) to download the camp scholarship application. Scholarship dollars are granted on a first-come, first-serve basis. Please submit applications early.

CAMPDOC ONLINE
This summer, we are using CampDoc, a secure network, to collect campers’ medical and emergency contact information electronically. CampDoc also ensures we have a way to communicate with parents/caregivers in the event of an emergency or illness. CampDoc will also have an option for your camper to sign up for activities ahead of time so their schedule can be made and ready to hand out upon drop-off Monday mornings.

Your camp registration will not be considered complete until the required documents are into the network. No exceptions will be made.

CANCELLATION POLICY
Camps are subject to cancellation if minimum enrollment is not reached. Cancellation decisions will be made two weeks prior to the camp session.

PAYMENTS
All fees are due at the time of registration. Payment plan options are available. Payment plan dates run from camp registration through the Friday before the first day of camp.

All payment plans MUST be paid in full prior to the first day of camp.

CHANGE FEES & REFUND POLICY
A $25.00 change fee will be applied for any change to an existing registration. This fee applies to cancellations, changes in weeks, camps, or campers. The balance is due at the time of the change.

A full refund minus a $25.00 change fee will be given provided the cancellation is at least one week prior to the camp session start date.

YMCA MEMBERSHIP
Campers who are members of either of the YMCA’s in Lincoln County receive discount rates on camps. The camper must be on an active Family Membership (annual or minimum 1-month seasonal) to receive the Family Member rates. Seasonal Youth Members with a minimum 1-month membership and Cottage memberships are eligible for the Member rate.

NEW! PATHWAY PROGRAM

Camp Knickerbocker campers become part of a neighborhood of friends where potential is nurtured, achievements are celebrated, and exploration is encouraged. Campers will develop skills through a diverse curriculum of traditional camp activities that encourage youth development, healthy living, and social responsibility. We strive to ensure that campers develop leadership skills and self-esteem, and grow personally through character building opportunities in a structured and positive environment.

Every Monday morning at the Camp Knickerbocker check-in point, campers will be given their personalized schedule along with their unit assignment for lunch time and unit kapers. Their personal schedules are based on the activities that they signed up for beforehand via CampDoc. If they didn’t sign up before camp, they will choose activities with the Program Director and a schedule will be made for them during opening ceremonies.

The purpose of individual schedules is to encourage campers to branch out to make new friends, meet new staff members, and work their way through a three level program for each activity they signed up for, ensuring they are doing something new each week.

Pathway Program participants must be 7 years old by the 1st day of the camp week they are registered for. 6 year olds qualify for Explorer Camp, see page 10.

Sailing during the less windy morning, our youngest campers will move from never having sailed to leaving the dock on their own in this one week introductory sailing class all while making new friends. Using the Opti, these sailors will learn to tie knots, rig, sail on a reach and tack. By the end of the week, most will be able to leave and return to the dock on their own. A small student to instructor ratio and passionate staff ensure that each child has fun while learning at their own pace. Campers will end the day at Camp Knickerbocker working on the Pathway Program.

Older Campers (Grades 7 and up)
Matching their increased size and strength, our older campers will sail in the breezy afternoon. Using our fleet of Tech Dinghies, a 12.5 foot cat rigged boat perfect for learning, our talented and dedicated staff will guide new sailors from tying their first knots all the way to sailing on their own. Over the course of the week, new sailors will learn to tie a cleat, a bowline and a figure eight, rig their boats, tack, and sail on a reach. Many will be able to leave and return to the dock independently with their new found skill set. They will gain independence and meet new friends. In a continued collaboration, youth will spend time at the Theater over the course of the sessions to rehearse for their production.
